

Horizon::Structures
::LinkedList::Head::last

```
graph LR; A[Horizon::Structures::LinkedList::Head::last] --> B[Horizon::Structures::LinkedList::Head::is_empty]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'Horizon::Structures::LinkedList::Head::last'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Horizon::Structures::LinkedList::Head::is_empty'.
