

```
Horizon::Zone::Traits  
::Status::initialize
```

```
graph LR; A[Horizon::Zone::Traits::Status::initialize] --> B[Horizon::Zone::Traits::Status::set_creature_weapon_attack_magic]
```

A diagram showing a call from the `initialize` method to the `set_creature_weapon_attack_magic` method. A blue arrow points from the left box to the right box.

```
Horizon::Zone::Traits  
::Status::set_creature  
_weapon_attack_magic
```
