

Horizon::Zone::ZoneClient
Interface::notify_equipment
_item_list

```
graph LR; A[Horizon::Zone::ZoneClientInterface::notify_equipment_item_list] --> B[Horizon::Zone::ZC_STORE_ITEMLIST_EQUIP_V6::deliver]; A --> C[Horizon::ClientInterface < ZoneSession >::get_session];
```

The diagram illustrates a branching call from a single source box on the left to two destination boxes on the right. Two blue arrows originate from the right side of the source box, pointing to the left sides of the two destination boxes. The source box has a gray background, while the destination boxes have white backgrounds and black borders.
