

main

```
graph LR; main[main] --> func[Horizon::Libraries  
::MapCache::getCompression  
Level];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box. The second box is gray with a black border and contains three lines of text: 'Horizon::Libraries', '::MapCache::getCompression', and 'Level'.

Horizon::Libraries
