

combat_structures

```
graph BT; combat_damage[combat_damage] --> combat_structures[combat_structures]
```

A diagram illustrating a relationship between two entities. At the top is a white rectangular box with a black border containing the text "combat_structures". Below it is a gray rectangular box with a black border containing the text "combat_damage". A blue arrow points vertically from the top of the "combat_damage" box to the bottom of the "combat_structures" box, indicating a directed relationship or dependency.

combat_damage
